TERMS AND CONDITIONS OF SALE

TERMS—The terms of this sale are cash. Each animal will be at purchaser's risk as soon as bid off but will not be delivered until settlement has been made. Cattle will be cared for and loaded on cars or trucks free of charge but at purchaser's risk of loss or injury.

HEALTH—All animals in this sale will be tested for Tuberculosis within 30 days of the date of the sale and health certificates will be approved by the Indiana State Veterinary. Calfhoo vaccination for Bang's Disease has been practiced in both the R. & D. Ranck and O. R. Stahl & Son Herds. All animals over 30 months of age will be tested for Bang's Disease within 30 days of the date of sale and all those that are not calfhoo vaccinated will be tested regardless of age when sold as a separate lot.

Since nearly all states recognize calfhoo vaccination for Bang's those that are younger than 30 months will be sold on the strength of their calfhoo vaccination certificate.

PEDIGREE—A certificate of registry and transfer will be furnished for each animal sold and a properly signed application will be furnished for each unborn calf.

PLEASE NOTE—The R. & D. Ranck and O. R. Stahl & Son herds are backed by an enviable reputation gained through good herd management and honest business practices. Most of the cows will sell with calves by side and the others will be well along in calf. Every cow has produced a calf in the last year and can be expected to continue to be a regular producer.

GUARANTEE COVERING BULLS—All bulls in this sale are guaranteed to be breeders if not allowed to run with the herd and if maintained in as good condition as when purchased. In case a bull fails to meet the guarantee, notice must be given within six months of the date of the sale. The purchase price, without interest, will be refunded in case bulls fail to meet the guarantee and the disposal of the animal will be at the option of the seller.

Announcements from the auction block will take precedence over printed matter in catalogue.

The above terms and guarantee constitute a contract between R. & D. Ranck and O. R. Stahl & Son, the sellers, and the buyer of each lot. Neither the sale manager nor the person delegated as clerk assumes any liability, legal or otherwise.

All persons who attend this sale do so at their own risk. Neither the owners, nor the sale manager, nor the clerks or auctioneers assume any liability, legal or otherwise, for any accidents that may occur.

Mrs. R. H. Ranck, Mr. R. H. Ranck, Glenwood Sensation x - herd bull selling , Donald E. Ranck, Mrs. Donald E. Ranck, Ryan and Lisa.

Message from Royal H. Ranck . . .

Our herd has been in the family for over fifty years and has been the major source of income for three generations of Rancks.

The first Polled Shorthorns exported from this country to New Zealand came from our herd. A bull and two heifers were sent there in 1920. Since then our cattle have gone into Argentina, Uruguay, Brazil and Australia.

In the last several years Glenwood cattle have been widely dispersed in the Middle West through the State sale, the "Harvest of Stars" sale and the "Parade of Stars" sale, and we have enjoyed a good private treaty business.

We have always kept a herd of well bred, prolific females and have used bulls that we believed would improve their get. Breeders will readily recognize our more recent herd bulls as outstanding sires — Canford Sensation x by Rosemeade Sensation x; Lane-dale Leader 4th x by Carona Fascination x; Lynnwood Symbolier x by Lynnwood Nugget x; Eagle Nest Roan King x and Lynnwood Mayor x.

During July Donald took over the management of a lumber and construction company. Because Mrs. Ranck and I are not in good enough health to maintain the herd in accordance with the standards we have built up, we have decided to sell the cattle and to rent the farm next spring.

After so many years in the business you may well understand how much we will miss our Polled Shorthorns, but it is gratifying to know that they will be going into good hands, and we feel confident that the new owners will be happy with these healthy, practical cattle.

ROYAL H. RANCK

**These females are selling in this dispersion . . . from the
O. R. Stahl & Son Herd.**

Message from the Sale Manager . . .

The names of Royal Ranck and Orville Stahl are well known in the Polled Shorthorn fraternity. For a good number of years both have been active in Polled Shorthorn activities in Indiana and have consistently consigned cattle to the shows and sales that have stood among the winners and top sellers. In recent years they have been joined by their sons, Donald Ranck and Neil Stahl.

Both of these herds have been managed in a practical and efficient manner that makes for progress and improvement in the individual herd and for Polled Shorthorns in general.

In both herds there is a sufficient number of calves running with their dams and plenty of cows and heifers heavy in calf to prove that the herds are in good, healthy condition and at the peak of production.

For those interested in enlarging and improving their herds with cattle of the most approved type, backed by proven and popular bloodlines and offered by men of highest character, this will be an excellent sale to attend.

Both herds may be seen at the Ranck farm, 4½ miles east of Urbana, Indiana, after September 16th. I urge you to call at the farm and look over these fine group of proven brood matrons, exceptional herd bulls and fine calves and to be present on sale day.

HORACE WALKER

Orville and Neil Stahl holding two heifers selling in this dispersion.
Rosemary 158th x and Rosemary Annie 58th x.

Message From Orville Stahl . . .

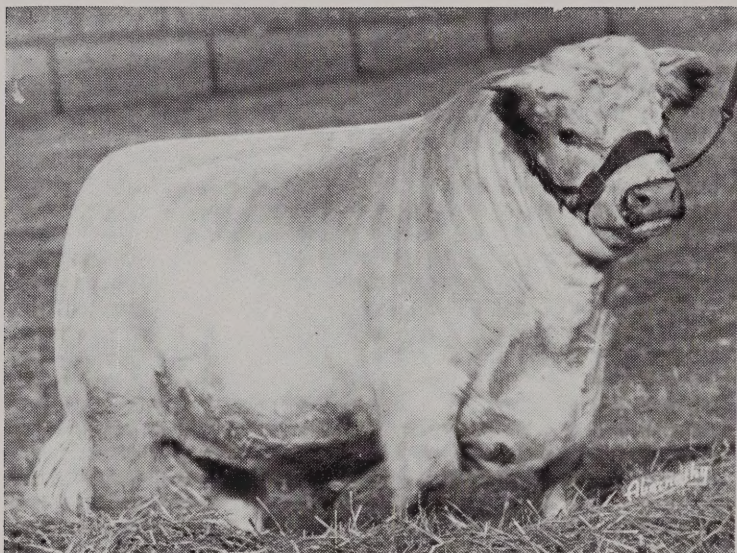

I purchased my first Polled Shorthorns in 1937. The cattle have been my greatest interest in farming for the past twenty-two years.

It has been a great pleasure to have our son, Neil, work with me in this business and have him use our cattle in his 4-H activities.

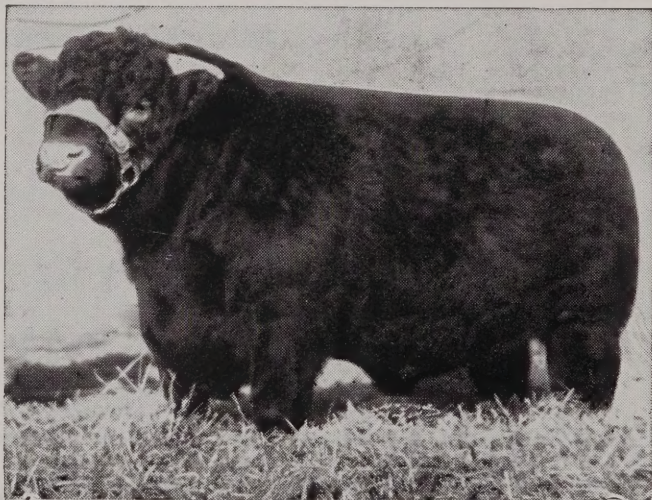

Neil will be at home only one more year, and I do not feel that I can keep up the work alone. Although it was difficult to decide to sell our cattle, I felt I should accept the Rancks' invitation to join with them in a dispersal as there would not be too many opportunities to sell with a herd of the quality of the Glenwood herd, and I do not have enough cattle to have a separate sale.

I expect to keep up my membership in the Indiana Polled Shorthorn Association and the Stahl family plans to keep in touch with its many friends in the Polled Shorthorn business.
